

Dear members and friends of MAYCHAM,

Over the last few years, your generous support to The Malaysian Chamber (HK & Macau) Students Trust Fund initiative has enabled more than 60 well deserved Malaysian students to continue their studies in institutions of higher learnings in Hong Kong and change their lives forever.

In continuum to this meaningful initiative and thanks to all your gracious support, we are rolling out a Global Internship Programme (GIP) in partnership with Global Malaysian Network (GMN) to provide a platform for companies to provide short to medium term internship or long-term employment opportunities to Malaysian students or graduates – starting with Hong Kong.

Through GIP, we hope you and your companies are able to hire some of Malaysian's promising young talents to support your business and for these Malaysian students/graduates to gain valuable real-life working experience to broaden their horizon and networking.

We sincerely look forward to your participation in this initiative to build a progressive next generation Malaysians and global citizens! Let's start by joining us in [MAYCHAM and Alumni/Students from HK & Macau Universities LinkedIn Group](#).

Sincerely,

Dato' KC Gan
Chairman
The Malaysian Chamber of Commerce (Hong Kong & Macau)
